

SPARX MATHS

WHAT IS SPARX MATHS?

Sparx Maths Homework is an online learning platform that creates personalised maths homework for students.

Sparx Maths

Each week, your child's teacher selects the topics that have been taught in class and a personalised set of questions are created to match your child's current level of understanding.

By consistently using Sparx Maths, your child can build a solid foundation in maths and achieve their full potential.

Teachers monitor homework so they can motivate and support students and receive powerful insights each week to support student progress.

Parents can monitor homework using Parent Portal and receive an email before homework is due.

HOW CAN I HELP MY CHILD WITH THEIR SPARX MATHS HOMEWORK?

Our top tips for you and your child when using Sparx Maths:

- ✓ Encourage them to have a go on their own
- ✓ Remind them to use the support videos to help
- ✓ Suggest that they start early to give plenty of time if they need help
- ✓ Encourage your child to do working out on paper
- ✓ Refer to the Parents section on the [Sparx Maths website to access 'A parent's guide to Sparx Maths'](#)

WHICH DEVICES ARE SUPPORTED?

Your child can access Sparx on any device that connects to the internet with a web browser.

HOW TO REGISTER YOUR LOG-IN FOR THE FIRST TIME

- Students should visit www.sparxmaths.uk and click 'New Sparx User?'
- Enter your first name, surname and date of birth and choose a password.

TOP TIP

Remember
to use a
memorable
password!!

LOGGING IN

Once your log in is registered, you can log-in whenever you need by entering the following details:

Username: Firstnamesurname e.g. JohnSmith

Password: Your chosen password

Scan here to access a step-by-step guide to logging in

WHAT TO DO IF YOU FORGET YOUR PASSWORD

- If you forget your password, click 'Forgotten your Sparx login details'.
- This will notify your teacher who will allow you to reset your password.

HOW TO ACCESS AND COMPLETE YOUR HOMEWORK

Once you log in, there will be a weekly homework on the main screen which contains 6 tasks. For each task, you must write all of your working out down in your homework book and make a note of the bookwork code for each question.
