

SENECA

Seneca Learning is used to support homework in history, geography, RE, computing and DT.

Parents are notified when assignments are set and completed as well as weekly summaries of study activity. Topics are broken down to show strengths and areas for development so parents and teachers can see where support is needed most.

LOGGING IN

- **Head to the sign-up page**
(<https://app.senecalearning.com/sign-up>) and enter your personal information.

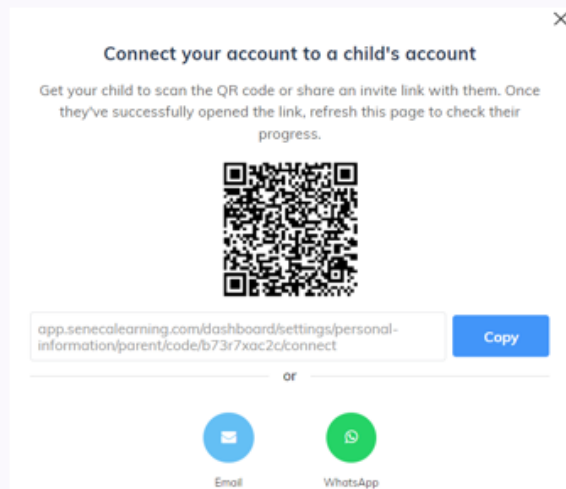

Registering an account with Seneca is completely free. You can choose to sign in with your Google or Microsoft accounts if you have one, or with your email address.

- **Enter your account details**
You will be asked to fill in your personal information and agree with the Terms and Conditions.
- **Choose your account type**
Select parent account
- **Connect to your child's account to monitor their progress!**

Connect your child's account manually

Use one of these 2 options to manually connect your child:

1. **From the parent account** 
 - Click "Add a child"
 - Copy and send the link to your child or ask your child to scan the QR code
1. **From the child account**
 - Ask your child to add you as a parent by entering the email you used to sign up for Seneca as a parent.

WHAT TO DO IF YOU FORGET YOUR PASSWORD

The teacher can reset this for you if you have lost / forgotten your details.
